MEMORANDUM FOR: Administrative Officer, NPIC

SUBJECT : Executive Program in Business
Administration, Columbia
University

1. Attached is a copy of the brochure announcing the 1970 Executive Program in Business Administration at Columbia University. Three sessions will be conducted: 26 April to 6 June, 14 June to 25 July, and 16 August to 26 September.

2. The Executive Program in Business Administration is designed to prepare key executives for added responsibilities; it is not adaptable to junior level training. Participants generally are in the 37 - 55 age range. No formal academic background is required for admission to the program. Agency candidates should be in the grade level range of GS-15 and above.

3. Because nominations for the session beginning 26 April are due at Columbia University in mid-February, nominations for this session should be returned to DDI Admin by 15 January. Nominations for the other two sessions should be returned by 30 January.

Bob - I think we should be putting the members of your Training Selection Panel in an uncomfortable position if we asked them to select a nominee or nominees for this senior training opportunity.

Please ask the Group Chiefs and Chief, FPBS to nominate names for consideration by Career Service Board. Tell them not to be shy about nominating themselves.

Why do we not consider senior DIA personnel also?
